 Internet Connection and speakers or phone dial in required for webinars. All of these classes are FREE!
 If you do not see a class on this month's calendar look for it again soon!!

AIM- Applications in Motion/Digital Lending (1 hour) Join us for a demo of how we can design, with your logo, a website that will allow your borrowers to complete a quick app online that will allow you to pull credit without triggering the application for purposes of TRID. FinTech made easy for you and FREE!

Appraisal Review (1 hour) Learn how to read and correctly interpret the appraisal and spot red flags within each section of the form. Course includes a walk-through of each section of the 1004. Form 1004 instruction includes Uniform Dataset (UAD) coding and definitions, as well as a review of the Market Conditions Addendum (1004MC). The participant will review case scenarios to ensure application of knowledge.

Asset Review (1 hour) This 60 min session is all about evaluating the less common assets that can be used to obtain funds for closing. We'll primarily focus on documenting assets that are converted to cash: either by selling an asset or taking a loan against it.

Avoiding Common Underwriting Errors (1 hour) The best way to avoid making the most common underwriting errors is to know what they are. This session will provide you with that information. It includes feedback from many sources, including seasoned underwriters and file reviewers

Calculating Income (1 hour) This session contains information about non self employed borrowers. We'll focus on documentation requirements; explain when the income can and can't be used for qualification and how to calculate it.

Calculating Military Income (1 hour) Understand the different types of income and the Leave and Earning Statement (LES).

Condo Appraisal Review (1 hour) You will learn what property characteristics make a condo unique, what factors to consider when analyzing the Individual Condominium Unit Appraisal Report (1073/465) and what are the required exhibits.

Conforming Loan Structuring (1 hour) There are so many options available to you and your borrower, but which is the best one? Join us for this opportunity to learn how Radian's MI products can help you get your borrower into the home of their dreams.

Contract Processing (45 minutes) Need to focus more on originating loans and let us process your loans? We can process all your files or only certain ones- it's up to you. This session will discuss how to submit a loan to Contract Processing within Crescent's new system MOTION.

Credit Reports & Scoring (1 hour) This module will look at credit scoring from the lender's perspective and examine some of the most common misconceptions surrounding credit scoring. The course is designed for the participant to gain understanding on how a borrower's credit affects lending decisions, learn what factors are evaluated in credit scoring, and learn how these factors are displayed on a borrower's credit report. This session also includes a discussion on the future of credit reporting

FHA Processing & Updates (1½ hours) Join us as we discuss FHA lending. Topics of discussion will include Origination, Processing, File Submission, Forms, recent Mortgagee Letters and FHA's Lender Approval.

FHA Sponsored Originator (30 min) Review of FHA's requirements on how to originate and close loans as a Sponsored Originator. We will discuss terms of business and file flow including compliance with MDIA, RESPA & Appraisal Independence.

Fraud/Red Flags in Loan Files (1 hour) Learn to recognize the red flags during the mortgage process that can lead to fraud within the loan file.

Generate Initial Disclosures & E-Sign (45 minutes) If you use using Motion as your LOS or would like to use Motion to generate your initial disclosures then join us as we take a look at the Loan Estimate and how to generate your initial disclosures.

HomeReady (1 hour) Learn the basics of Fannie Mae's new HomeReady™ product. We will cover key dates and features, Income eligibility, guidelines and pricing for this new innovative product. Also, learn the benefits of the reduced MI coverage requirements for HomeReady™. Finally, learn how to show your real estate partners how to grow their market with new resources and tools

Interpreting DU Findings (1 hour) In this course, we'll review the DU findings report and learn how to document files. We'll also review helpful tools that are available. NOTE: This is not a session on data entry.

Intro to Mortgage Lending (1½ hours) Are you new to Secondary Market lending? Do you need to know the basics of the loan application, loan programs, compliance, processing and more? Join us for an Introduction to Secondary Market Mortgage Lending!

K-1 Workshop (1 hour) Calculating income for Self-Employed Borrowers is an ongoing challenge. Essential Essentials K-1 Workshop is designed to shed light on the perplexities of income analysis for Partnerships and S-Corps. Using real world examples, participants will learn how to apply FNMA and FHLMC guidelines to the Schedule K-1, evaluate business liquidity and determine qualifying income

LinkedIn for LO's (1½ hours) Are you taking full advantage of all LinkedIn has to offer to keep your name and brand top of mind?

Loan Officer Checklist for Success (1 hour) What does it take to be a success? This one hour session will review the skills and attitudes it takes to be a successful loan officer

Loan Processing (1 hour) to define the role of Loan Processing, use the 1003 as a roadmap to gather, review, and verify required documentation, prepare the loan application for Underwriting

Loan Product Advisor (1 hour) This course teaches participants how to validate Loan Product AdvisorSM loans based on the information contained within the Loan Product AdvisorSM Feedback report. The course will give the participant the opportunity to review and analyze a sample Loan Product AdvisorSM report and complete exercises to instill key learning objectives.

Low Down Loans (45 minutes) Have potential borrowers with only small down payment amounts? Do you know what their options are? We will discuss loan programs with little or no down payments and how to determine which is best for your borrower

Manufactured Housing Appraisal Review (1 hour) In this session you will learn: - The primary characteristics of a manufactured home - The "Red Tag" and HUD Data Plate - The 1004C & sections to review within the appraisal.

Mobile Motion (30 minutes) Check out our mobile site! We will look at the benefits and features of using Motion on the go! Use Mobile to access the Pricing Wizard rates, your pipeline, conditions and more all from the convenience of your mobile device.

Motion (1 hour) *Welcome to Crescent!* This session will review the basics of doing business with Crescent including an overview of our online system MOTION. We will discuss Importing/Creating loans, Credit and AUS options, Submitting your loan to Crescent for Underwriting and Generating your Closing Docs. We will also discuss other services available within Motion.

Mortgage Insurance (MI) Basics (30 minutes) get acquainted with the basics of mortgage insurance. You'll learn to: consider, compare and conclude which options are best for borrowers; understand what MI is and how it works; and how to calculate MI rates.

Optimizing LinkedIn (1 hour) Are you taking full advantage of all LinkedIn has to offer to keep your name and brand top of mind?

Rental Income Calculations (1 hour) The course will help you understand general guidelines for calculating rental income, including recent Fannie Mae/Freddie Mac announcements and forms, as well as how to use Schedule E.

Rural Appraisals (1 hour) This interactive class focuses on understanding the Uniform Residential Appraisal Report (URAR) Form 1004. Participants walk through the sections of this form and learn to identify red flags and risk issues and look for factors specific to rural property appraisals.

Rural Development (RD/USDA) (1 hour) - Want to qualify more borrowers for purchase programs? Need to know about RD's fees? Join us as we discuss how to originate and process RD loans.

Seizing Market Share (1 hour) Learn how to differentiate yourself from the competition and gain market share by becoming the best choice for mortgages among borrowers and realtors.

Self Employed Business Tax Returns (1½ hours) This comprehensive webinar shows you how to dig deeper through business tax returns to develop a clearer picture of your self-employed borrower's income and business financial standing. As we analyze the details of the business returns, the course assumes an understanding of the basic fundamentals for analyzing tax returns such as recurring vs. nonrecurring income/loss; depreciation, noncash expenses and how they affect cash flow

Self Employed Personal Tax Returns (1½ hours) This comprehensive training webinar takes you step-by-step through a self-employed borrower's personal tax returns. Defining common terms and theories such as nonrecurring vs. recurring, depreciation and other noncash expenses will help you to develop a clearer picture of your self-employed borrower's financial standing.

Selling in a Rising Rate Environment-ARM's! (1 hour) Loan Officers, remember the Adjustable Rate Mortgage (ARM)? It's probably been a while since you've sold these mortgages, but with rising rates, now is the time to build your knowledge about this product to prepare for the conversations you will have.

Selling to Millennials (1 hour) Get tips and techniques that will help you better understand and effectively communicate with baby boomers, Gen Xers and millennials. In this hands-on course, participants will learn how to develop communication strategies for each of these groups

State of the Mortgage Industry: 2019 (1 hour) Join us as we review what happened in 2018 and what to expect in 2019!

Taking a 1003 (1½ hours) Are you looking for a way to close more loans, develop better relationships with your processors and underwriters and reduce the surprise requests of your borrowers? Learn the how's & why's of completing the 1003.

Tax Returns- Rental as a Business Review (1 hour) Review of tax returns with rental income that is reported on form 8825.

Tax Returns- Schedule C Review (1 hour) Review a personal tax return with a filed Schedule C reporting a Sole Proprietor business income. Calculate qualifying income using Freddie Mac's Form 91.
